**Subject:** Community Poster Party & Gathering

Hi! Indivisible Queen City Vermont sends greetings!

We want to take a moment to THANK those who have been attending rallies, marching for democracy, calling representatives, writing letters or talking to your families and neighbors. There's a lot going on and we know this is a marathon and not a sprint. Our actions have made and will continue to make a difference.

**Please join us for a fun, creative gathering where we'll make posters, share stories, connect and create community.** Let's keep the momentum going and make sure our voices are heard!

Date: **Tuesday April 29th**

Time: **5:30 - 7:30 PM**

Location: **Queen City Brewery event space 703 Pine Street**

What to Bring: Yourself, your creativity, and any materials (poster board, cardboard, markers, ect) you want to contribute to poster-making! We'll also have supplies to share.

RSVP if you're coming: [gcvt2025@gmail.com](mailto:gcvt2025@gmail.com)

Come out to support Queen City Brewery and Pizza 44 and their wonderful event space.

We hope to see you there!
