

You are wonderful - thank you!

What a day! Over 35,000 Vermonters gathered in dozens of rallies and marches across the state. The biggest crowd was in Burlington, but a joyful noise was heard all over Vermont as We The People came together to demand better from our government.

There was no violence, no hate - just Americans exercising their rights. Thank you for being the critical part of a wonderful day of community and protest!

Stay tuned for more events, more action, more noise in defense of American Democracy...

Queen City Vermont Indivisible is a group of concerned individuals seeking to preserve democracy, resist autocracy, and empower our community through nonviolent protests, actions, and local events.
